This is an aged Belgian red ale, which is 'ripened quietly in oak barrels for two years', according to the label. It has an extremely pungent aroma of rich grapey fruit, with acidic notes, very much like a slightly sour red wine or possibly a gueuze. In the mouth it is slightly sweet, extremely acidic and fruity, with grapes and even cherries discernible, and very lively. Despite the sweetness it is not at all cloying, even thin, with little or no trace of malt. Finish is sharp and fruity.

### Bières de Chimay Chimay Première (Red)

330ml Bottle £4.50

Belgian Dubbel / 7% ABV / Baileux, Wallonie

Topped with a creamy head, it gives off a light, fruity apricot aroma produced by the fermentation. The taste perceived in the mouth is a balance confirming the fruity nuances noticed in the fragrance. Its taste, which imparts a silky sensation to the tongue, is made refreshing by a light touch of bitterness. To the palate, the taster perceives a pleasant astringency which complements the flavor qualities of this beer very harmoniously. This top-fermented Trappist beer, re fermented in the bottle, is not pasteurized.

It was first brewed as a Christmas beer by the monks of Scourmont Abbey in 1956. This authentic Belgian beer, whose tinge of fresh yeast is associated with a light rosy flowery touch, is particularly pleasant. It is ideally served at cellar temperature (10 to 12°C).

Kasteel Donker is a member of the Belgian quadrupel family. These are strong dark brown beers where the roasted malt predominates. The very first beer of the Kasteel range is a full-mouthed beer with hints of caramel, coffee and chocolate. The sweet initial taste makes this beer surprisingly complex but very accessible.

330ml Bottle £7.00

Belgian Quadrupel / 11.3% ABV / Rochefort, Wallonie

Dominant impressions of latte coffee with powerful chocolate aromas in the nose. The alcohol esters are enveloped with hints of autumn wood, citrus zest (orange, lemon) and freshly baked biscuits. The initial taste is sweetly sinful. Beer and chocolate trapped into one single glass, a liquid milky draught with a backbone of bitter malt. The alcohol warms the throat and, in the finish, you will pick up traces of cloves, citrus, orange and mocha. The heaviest of the Rochefort beers, the 10 is a quadrupel style beer and can be recognized by its blue label.
